
Notification - request raised
STEP 4 · The floor picks it up
Supervisor
Foreman
Team Leader
Technical Inspection
Inspection report · the faults found
1. AC Compressor
2. Shock absorber
3. Brake pad
STEP 5 · Estimation, one line per job
Parts After Market - priced by the Storekeeper
Parts Genuine - priced by the Storekeeper
Labour - priced by the Service Advisor
Is that part type available?
No
Yes
Mark the line N/A
Fall back to the other part type for that job
Per job: Total Genuine and Total After Market
Example - Job 1: Labour 100 plus Genuine 500 equals 600, Labour 100 plus After Market 300 equals 400
Review before it leaves the workshop
Format 1
Format 2
Format 3
Who is this customer?
External customer
